

Common APN Settings for UK mobile networks

This is a list of the most common APN settings required for UK 3G and 4G accounts.
It is by no means definitive as the ISPs introduce new settings with every new package.

<u>EE</u> APN: everywhere Username: <i>leave blank</i> Password: <i>leave blank</i>	<u>Orange</u> APN: orangeinternet Username: <i>leave blank</i> Password: <i>leave blank</i>	<u>T-Mobile</u> APN: general.t-mobile.uk Username: <i>leave blank</i> Password: <i>leave blank</i>
